

I'M
CALLING
YOU!

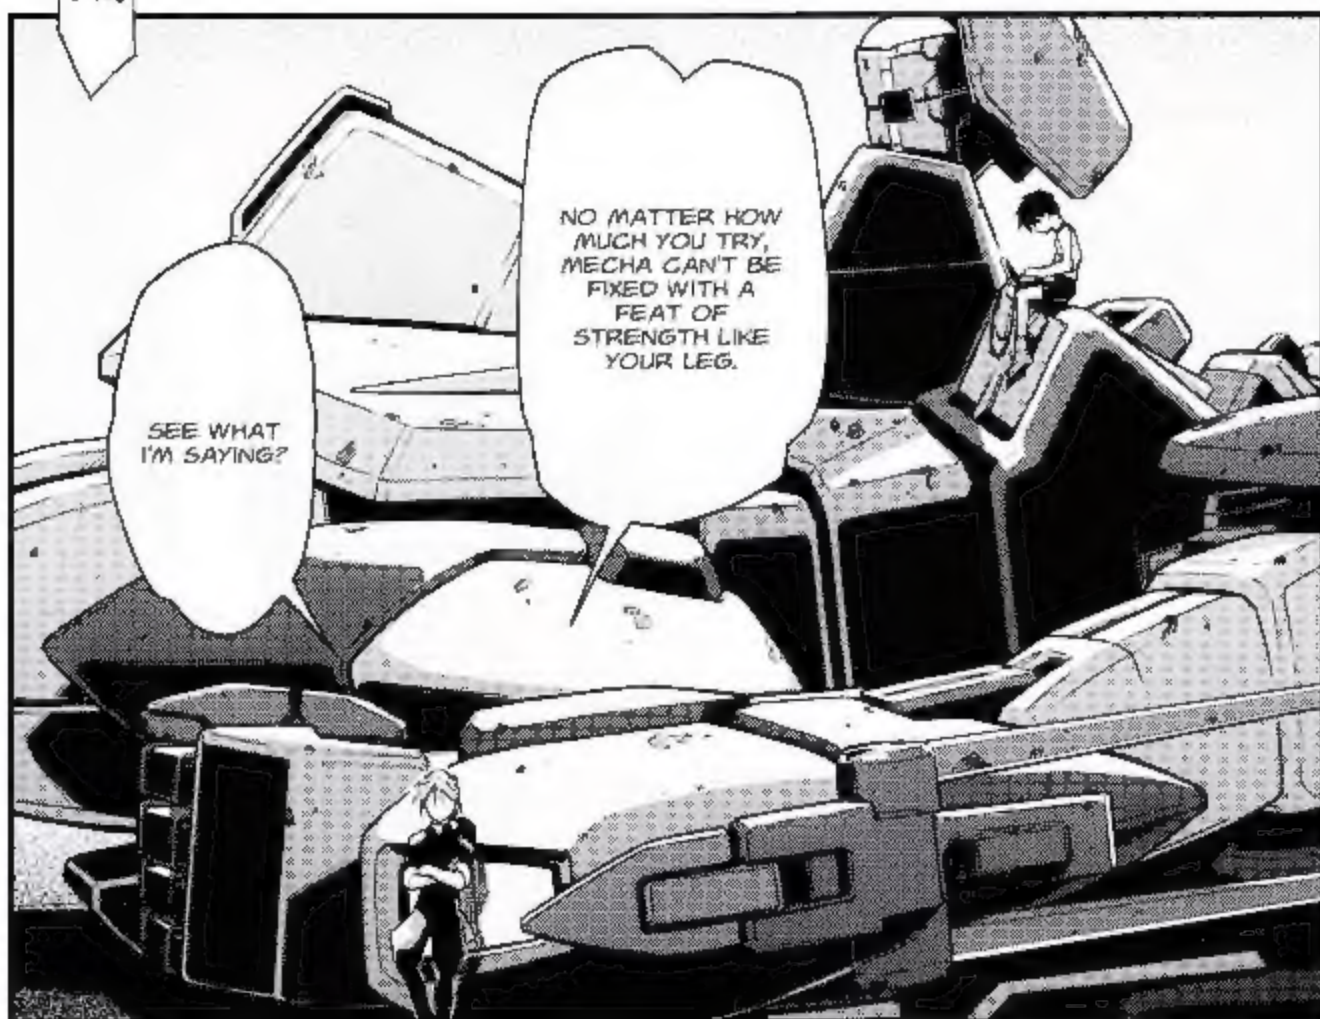

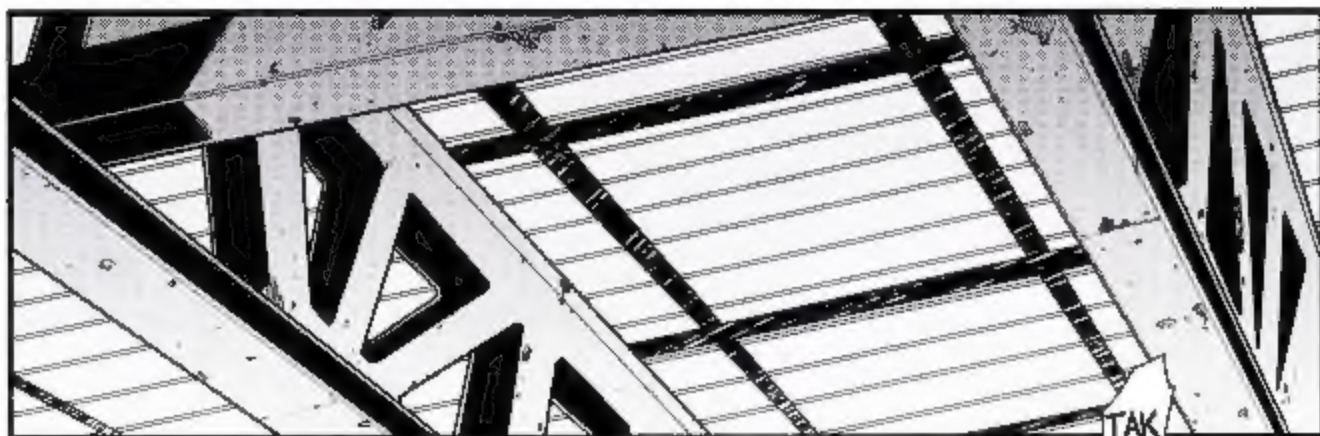

HEY,
YOU!

INSULATION
OF 2600:
REPAIRS
ARE
POSSIBLE.

カン

カン

カン

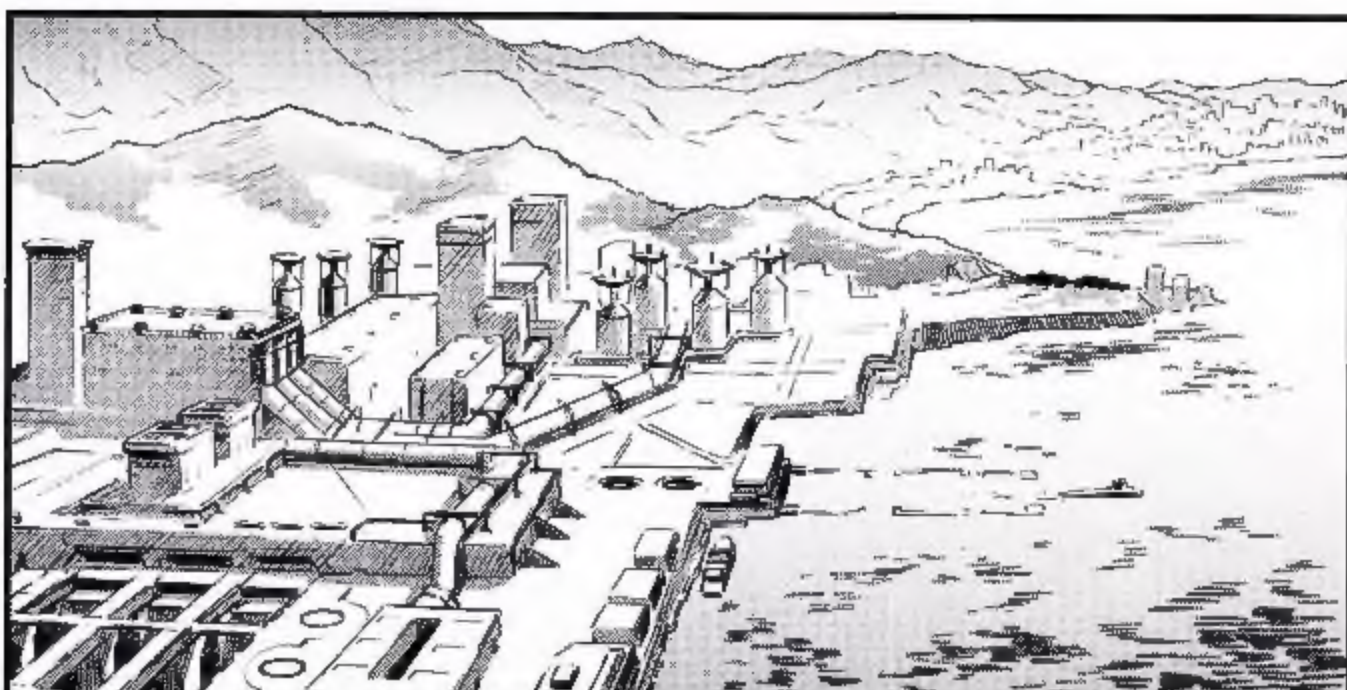

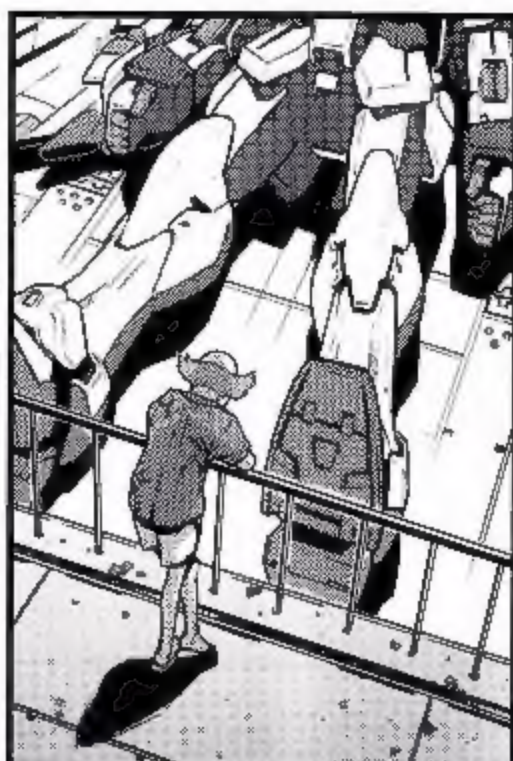

OR SO THAT'S
WHAT I
THOUGHT
BACK THEN...

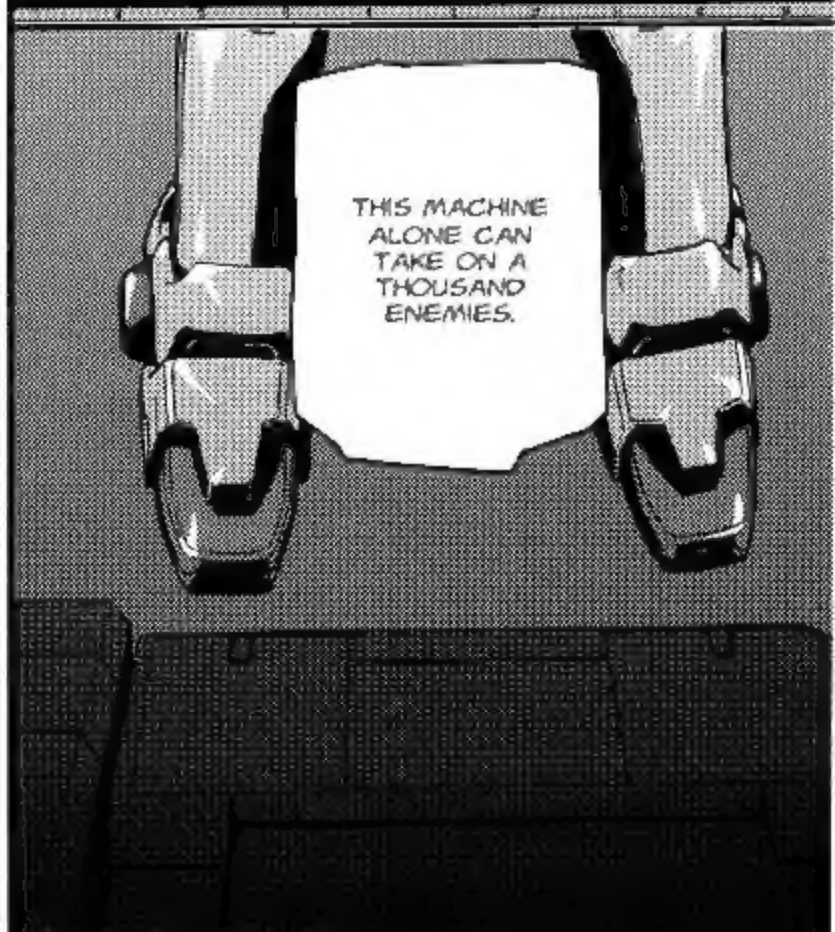

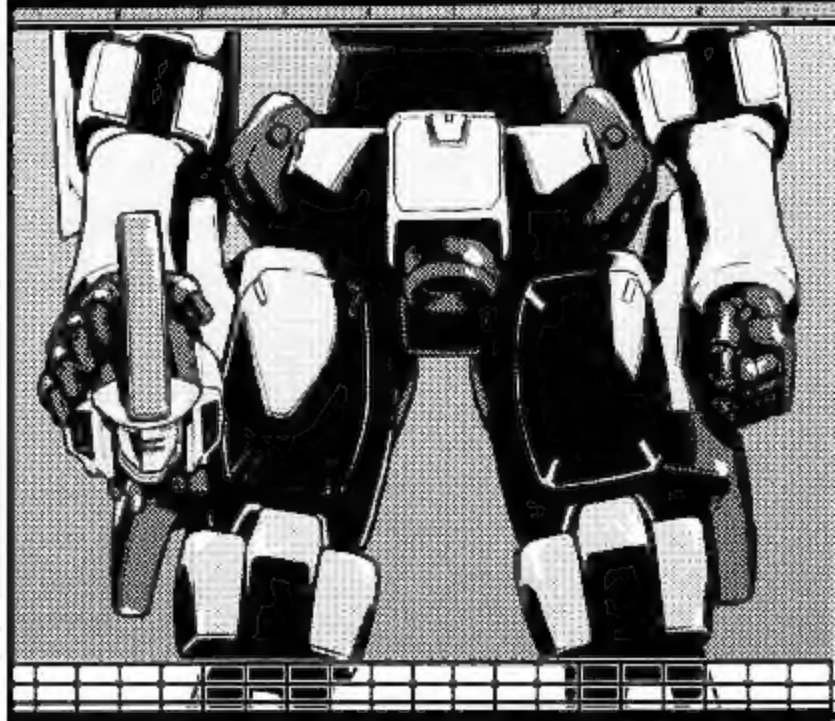

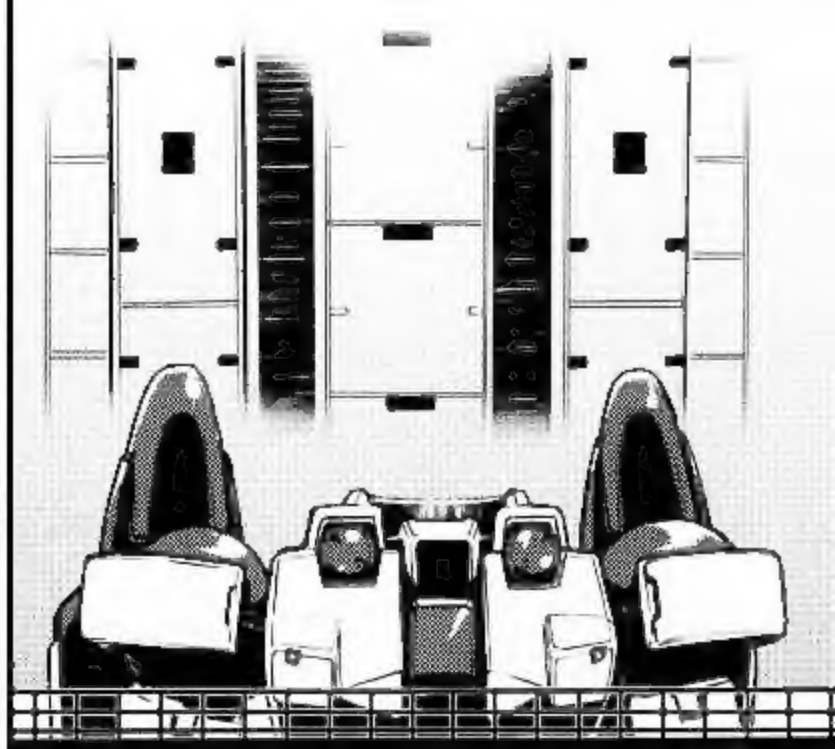

A MOBILE
FORTRESS
WITH
MOBILITY.

A WEAPON
THAT CAN
TURN THE
TIDE OF
BATTLE
WITH A
SINGLE
ATTACK.

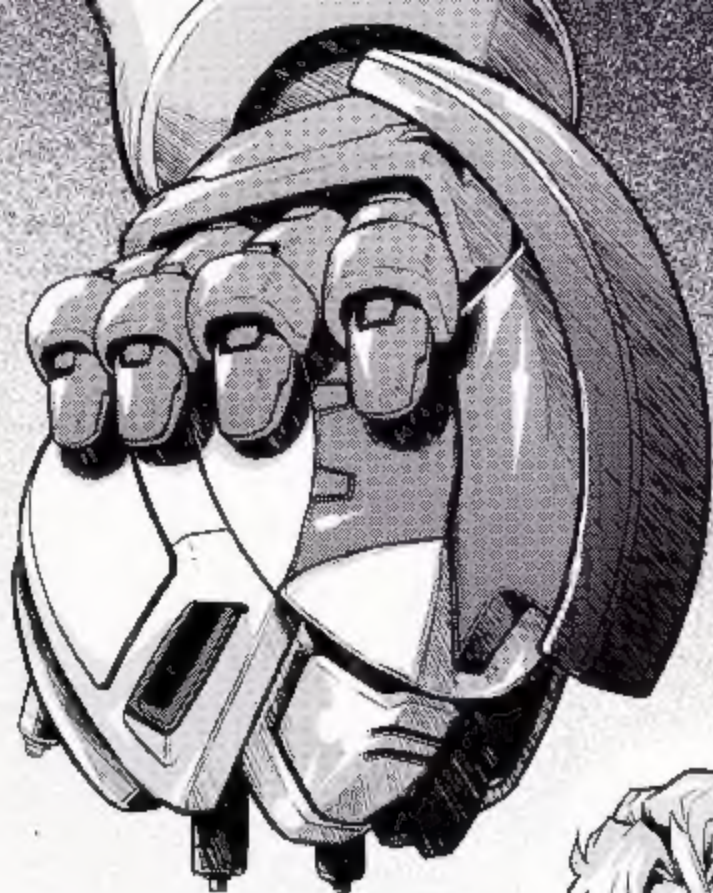

AC-183 Corsica (Mediterranean Sea)

BUT RATHER
JUST ONE
HERO OVER
THEM ALL.

WHAT IS
NEEDED ON A
BATTLEFIELD
ISNT A
DYSFUNCTIONAL
BATTALION OF
SOLDIERS...

HM?

ELEGANT,
ISNT IT?

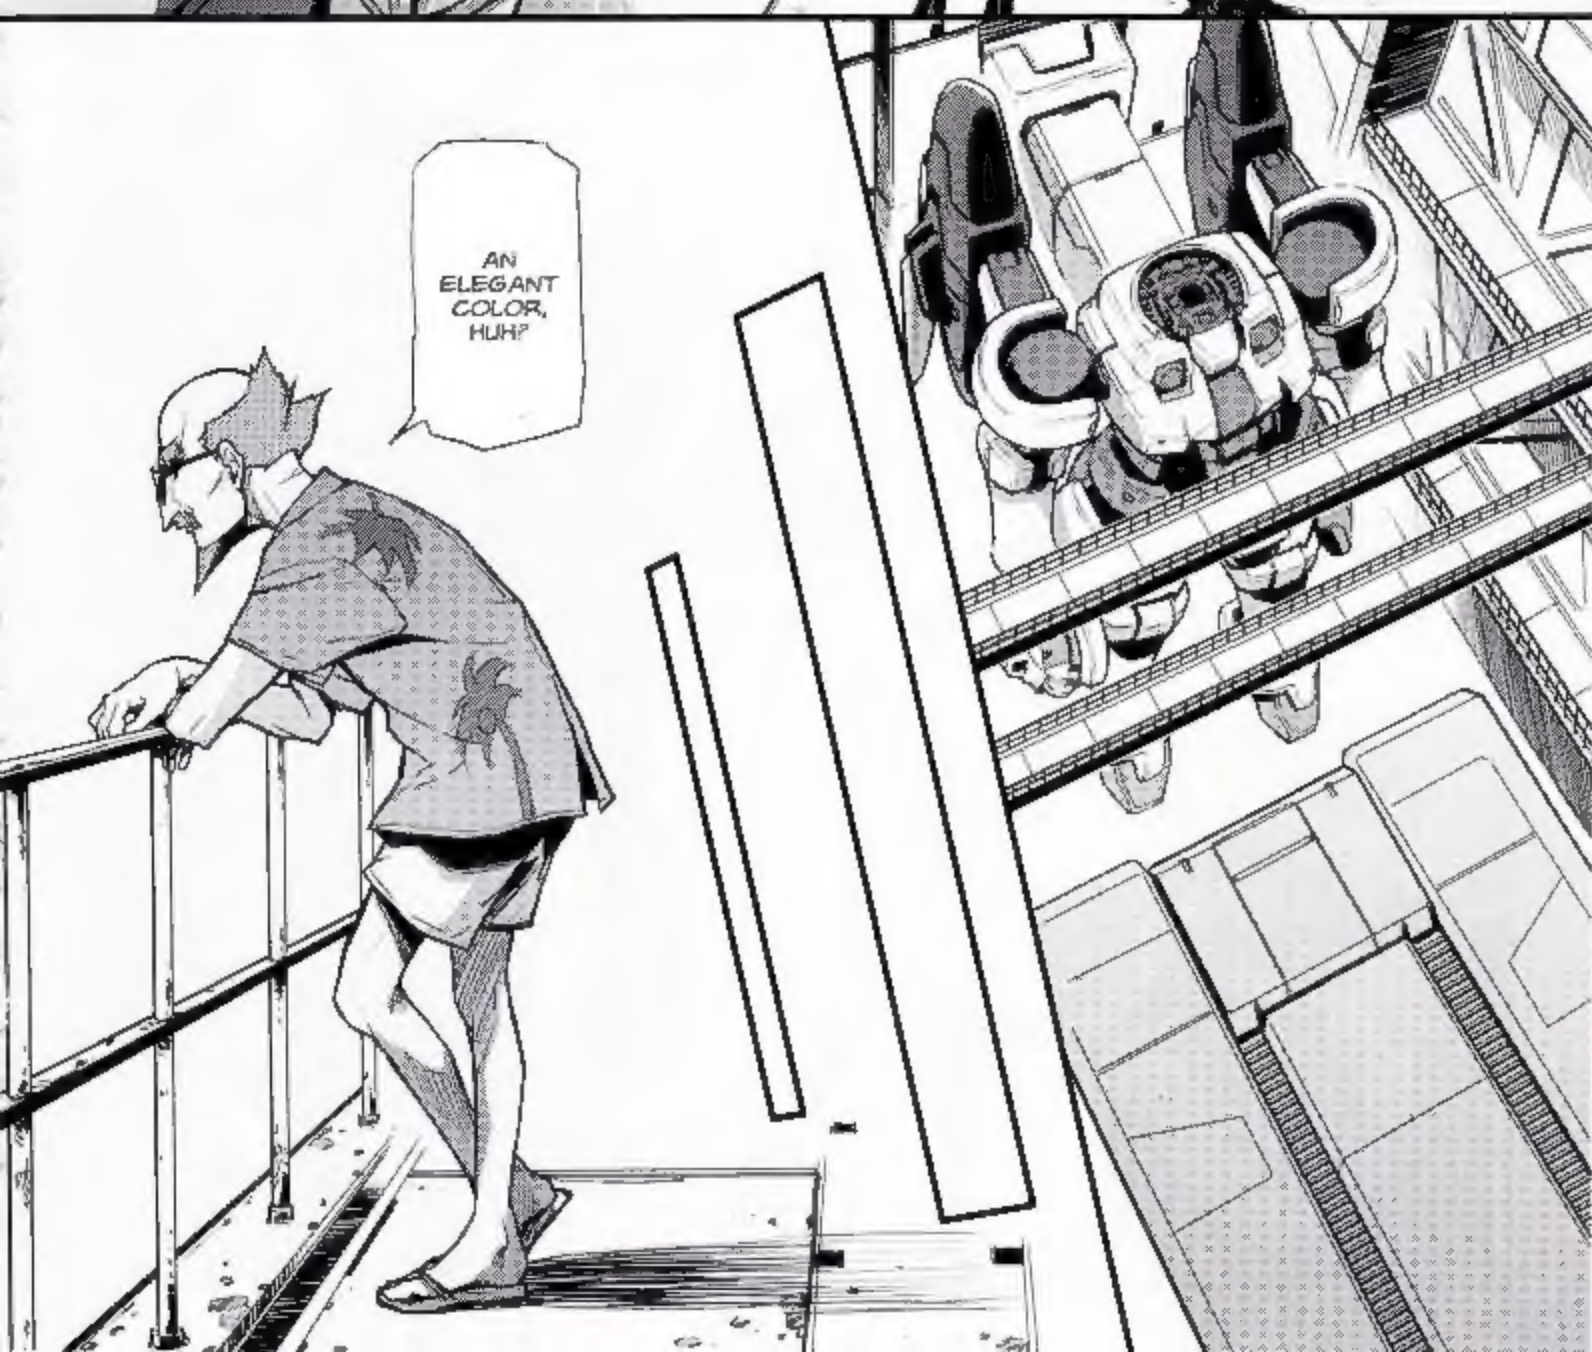

I BELIEVE THAT
ONE DAY I'D
LIKE TO PILOT
THIS MACHINE.

I HAVE A
FAVOR
TO ASK.

OH?

RATHER
THAN CALL IT
A "HEROIC"
COLOR, A
"FOOLISH"
COLOR IS
MORE
SUITABLE...

THESE
AREN'T THE
COLOR OF
WEAPONS
EITHER...

SIGH

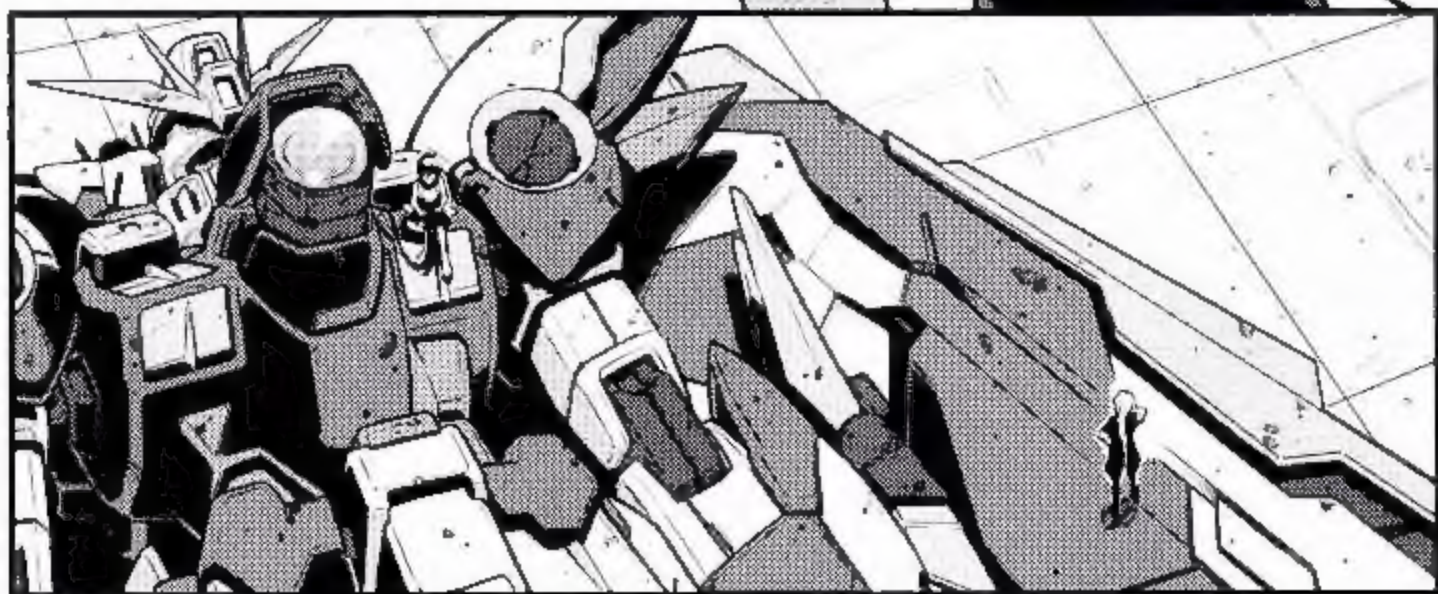

HEY.

YEESH! I CAN'T
STAND IT! IF I
WERE YOU, MAN
I'D HATE MY
PERSONALITY
SO MUCH I'D
SHOOT MYSELF!

QUIET,
ANTI-
SOCIAL,
RECKLESS

WHAT IS IT?
YOU'RE TOO
LATE IF YOU
THINK I'M
HELPING
YOU NOW!

WHY'D I
EVEN
BOTHR
TO HELP
THIS GUY
IN THE
FIRST
PLACE?

HUN, SO
WE'VE BEEN
FORCED
INTO A
STALEMATE.

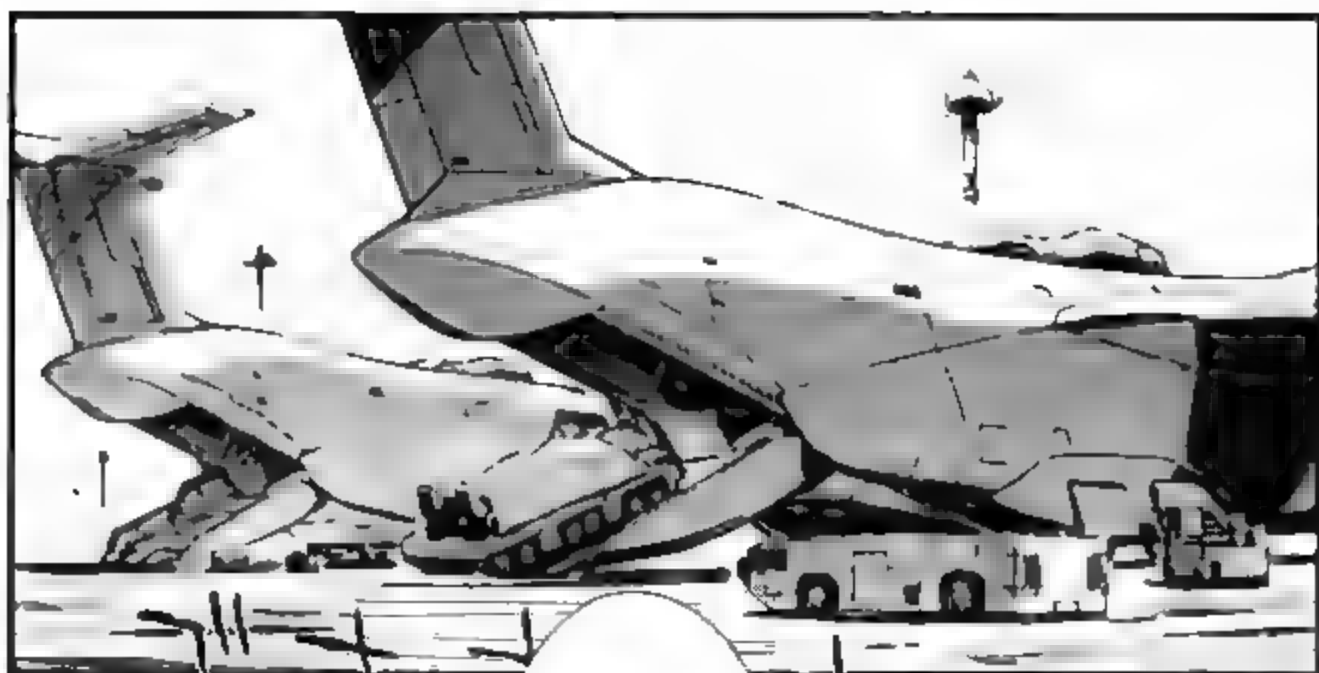

THERE WASN'T
MUCH WE COULD
DO ABOUT IT
CONSIDERING WE
DON'T KNOW THEIR
OBJECTIVES.

BUT IF WE MUST
MOVE FIRST WE
SHOULD DO IT AT
CORSICA ALONG THE
MEDITERRANEAN SEA

THAT'S WHERE
THE OLD
MANUFACTURING
BASE IS.

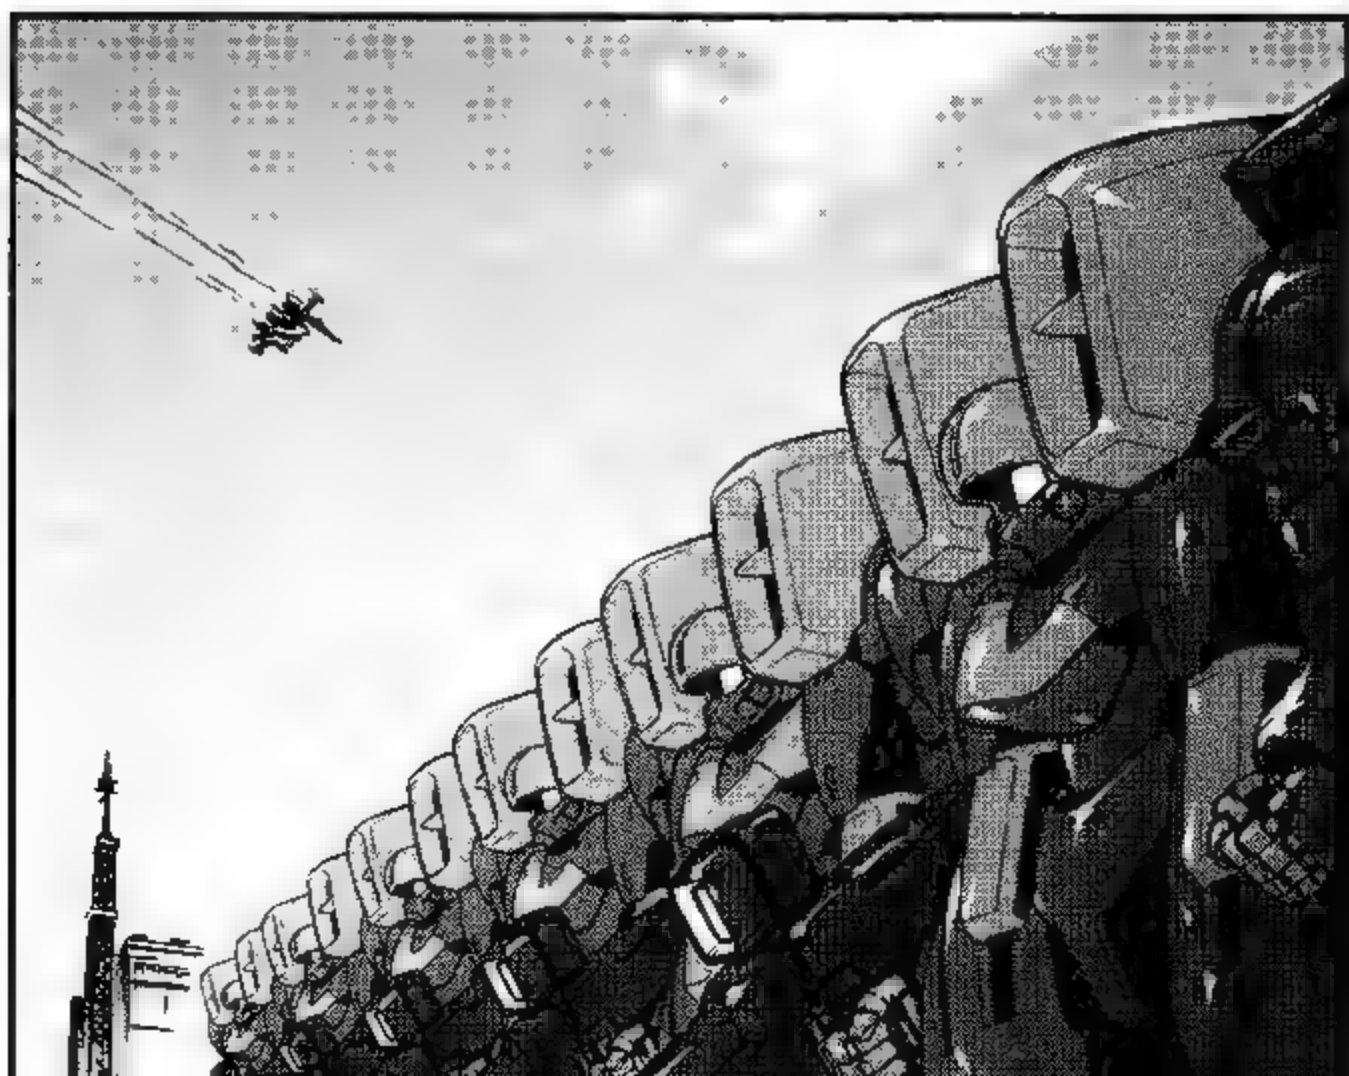

ZECHS.

SHOOT
'EM DOWN
FOR ME...

Young leaders were trying to start a new trend.

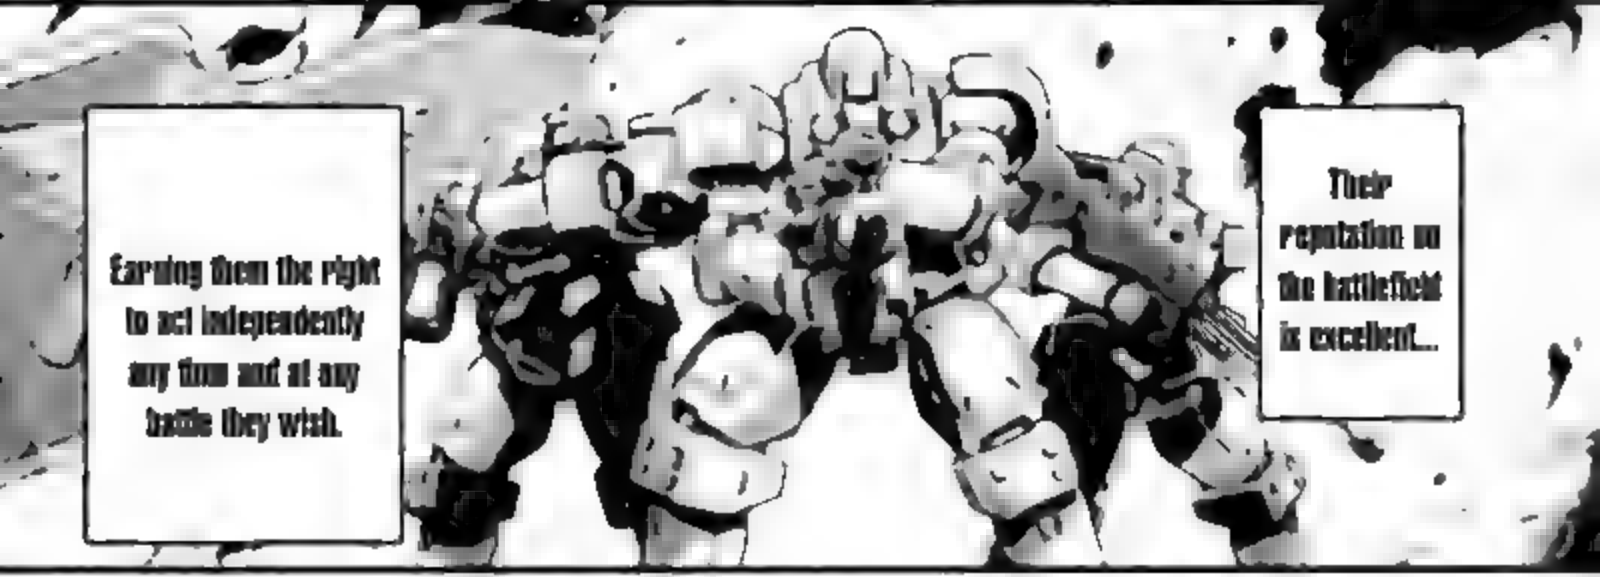

**Colonel Treize Khushrenada.
Founder of the Specials.**

He is also an official of the mysterious Romefeller Foundation financially backed by royalty and aristocrats who place importance on tradition. With this strong backing, Treize has focused on the development of mobile suits.

The special mobile troops, known as the Specialists, made great progress within the military of the United Earth Sphere Alliance in the expansion of armaments. They are a complete unit that not only supplies mobile suits to the Alliance but also started instructing the combat army corps.

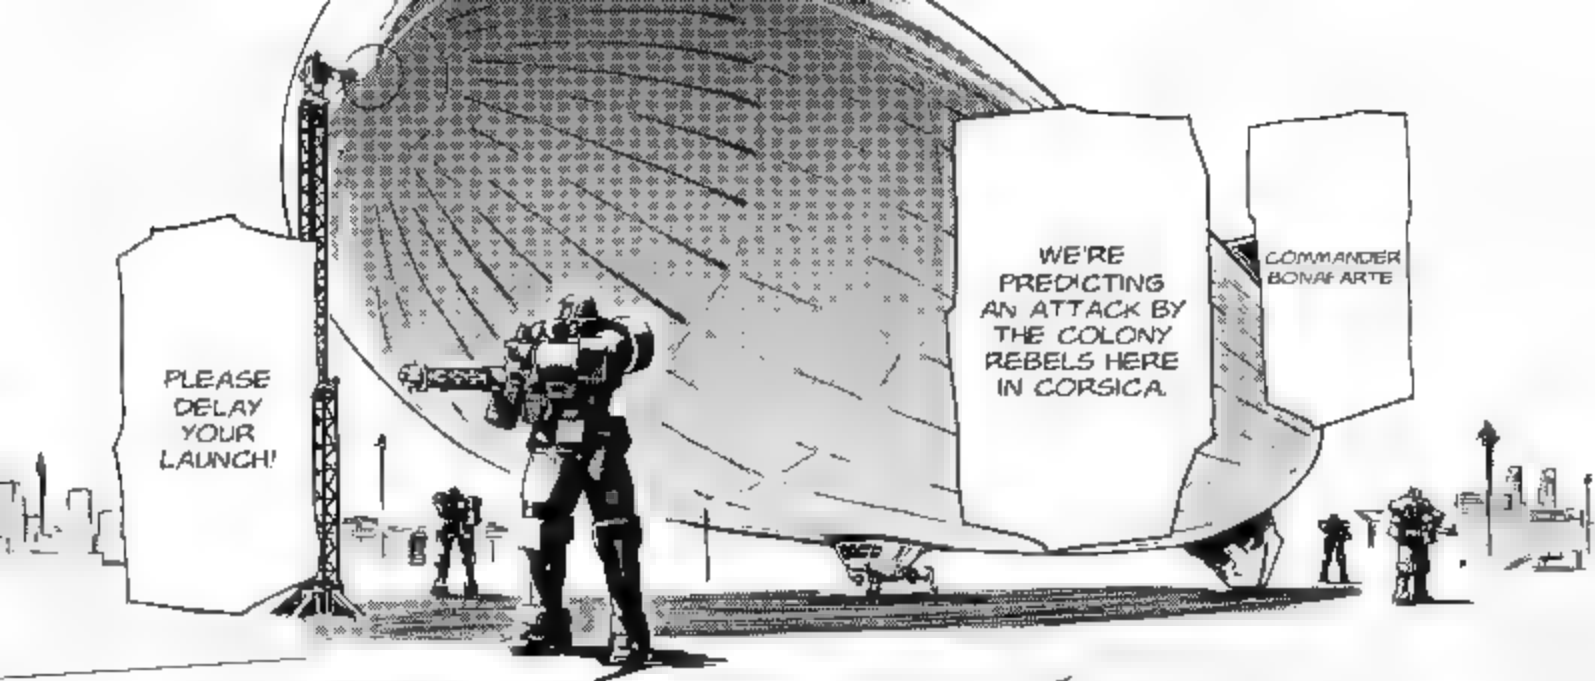

Earning them the right to act independently any time and at any battle they wish.

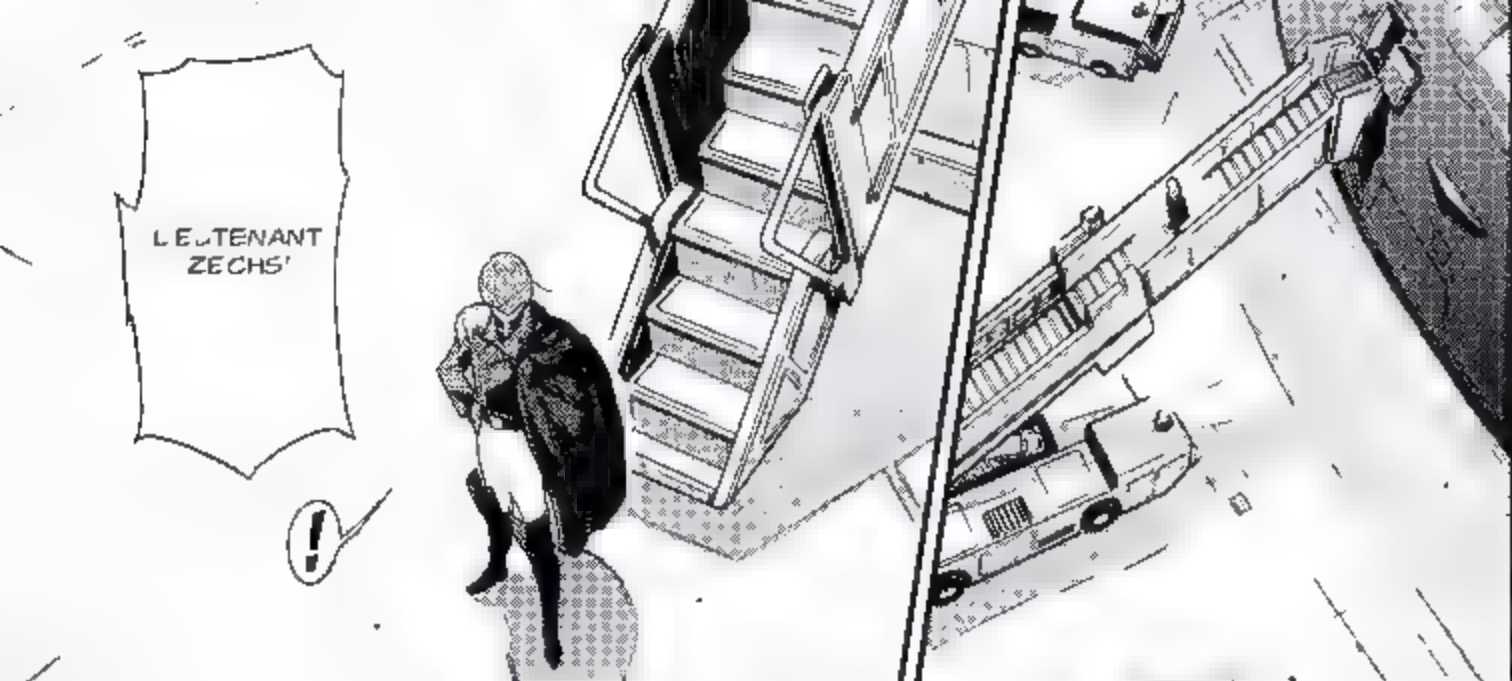

Their reputation on the battlefield is excellent...

However, there
were many who
disliked and
distrusted the
Specials.

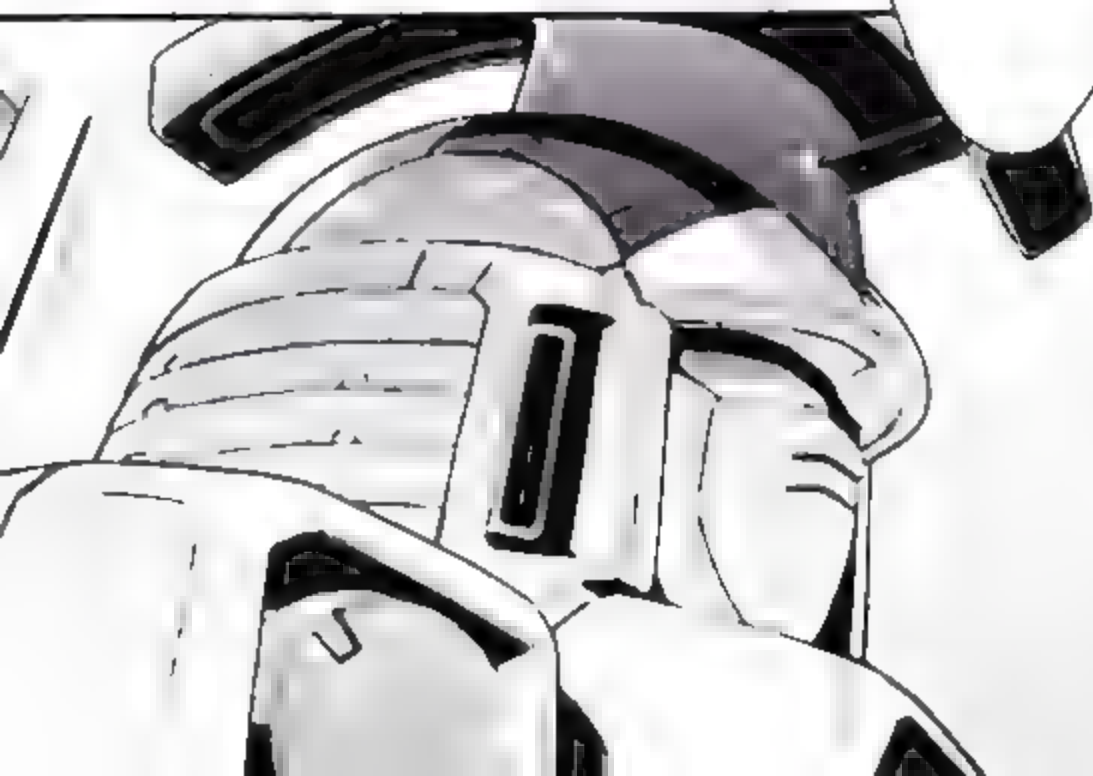

IT REMINDED
ME OF THE
UNFINISHED UNIT

WHEN I SAW
THE DATA
ON THE
GUNDAMS...

A PROTOTYPE
JEO, HUH?

TALLGEESE

IF I'M RIGHT,
THAT'S
WHAT THE
RECORDS
INDICATED

YOU'RE
FROM
CORSICA,
AREN'T
YOU?

LOOKS LIKE
IT'LL TAKE
TIME TO
COMPLETE IT

I USED
TO WORK
AT THE
MUNITIONS
FACTORY

FOR THE
SOLDIERS OF
TOMORROW!

LIEUTENANT
ZECHS.

AT THIS
RATE, THE
GUNDAMS.

PLEASE
TAKE THE
TALLGESE
FROM HERE

COUNTING
ON
DYING?

I'VE LIVED BY
THE ADVICE
THAT YOU
TAUGHT ME

WALKER!

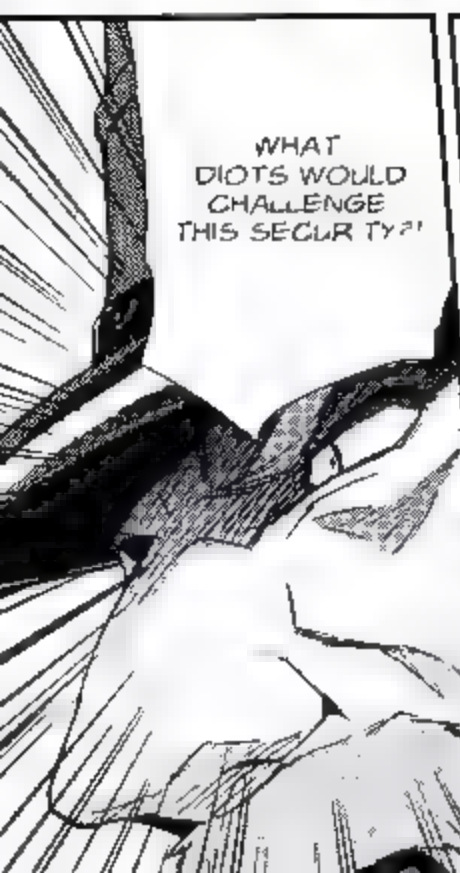

I'LL TEACH
THOSE
BLOODTHIRSTY
SPECIALS A
THING OR TWO
ABOUT THE
ART OF WAR

IF WE
PROCEED
CAUTIOUSLY
WE CAN
AVOID ANY
UNNECESSARY
BATTLE!

WE
MUSTN'T BE
PERSUADED

WHAT
DIOTS WOULD
CHALLENGE
THIS SECURITY?

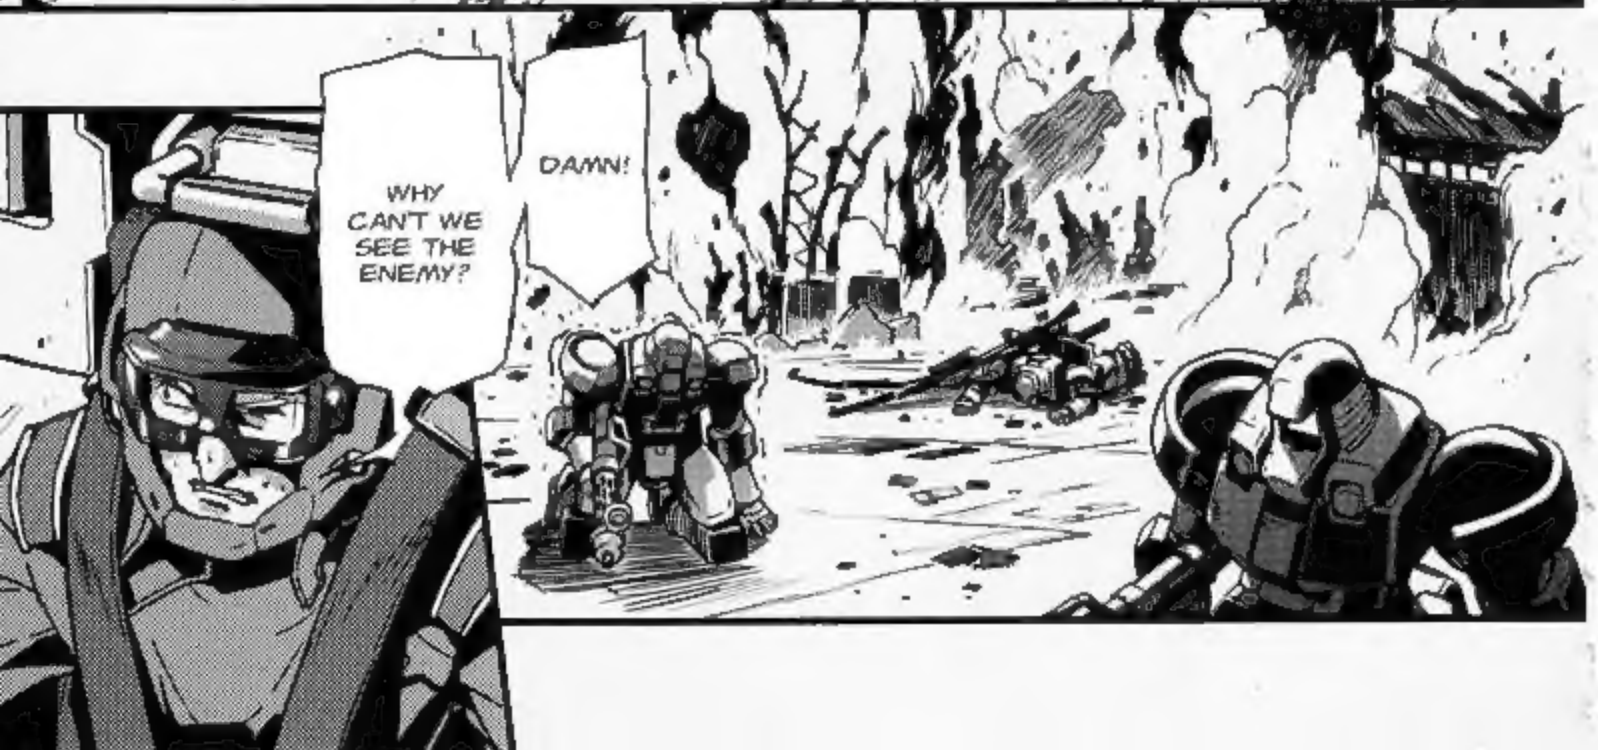

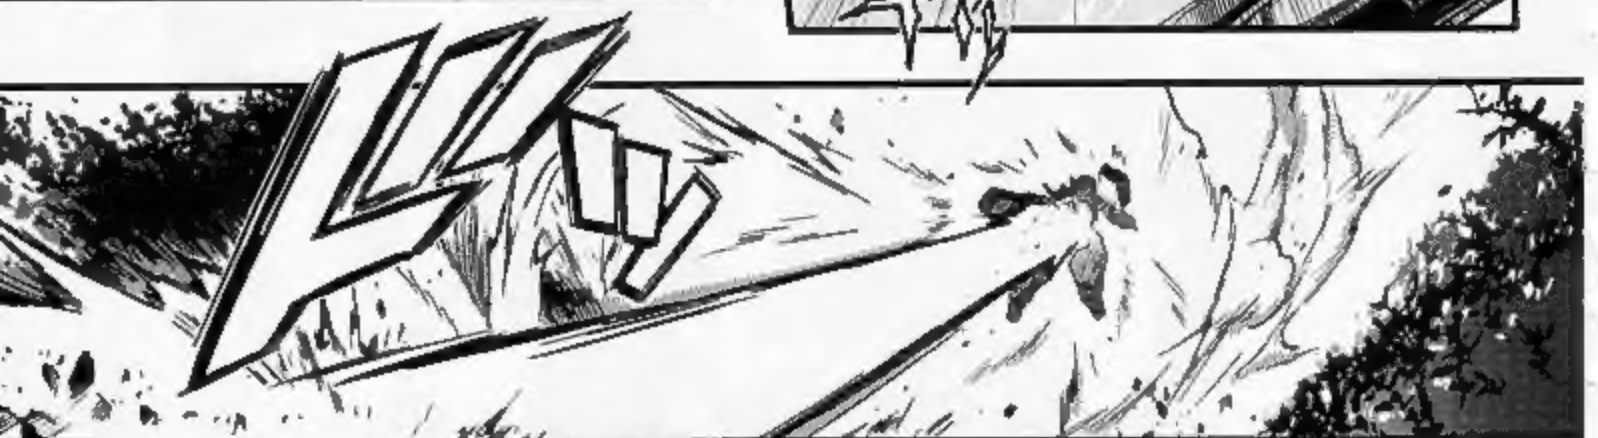

BUT
THEY ARE
COMING

NO ENEMES
ARE COMING.

WHY
CAN'T WE
SEE THE
ENEMY?

DAMN!

!!

HUH?!

THAT
UNIT...
